THE VOICE

November 2026

We welcome musician John Hermanson back for three Advent concerts featuring music from his Isaiah liturgy. Drawn from prophetic texts in the Book of Isaiah, many of which we hear in worship during the season of Advent, this collection features nine beautifully crafted songs raising up justice, mercy and prophetic imagination. John will be with us **Thursdays December 3, 10 and 17 at 7:00 PM**. These concerts are free and open to the public, so invite your friends and neighbors. In the busyness of December, John's music will offer a space for reflection and peace.

John Hermanson is an award-winning songwriter and composer of the acclaimed acoustic duo Storyhill alongside Bozeman musician Chris Cunningham, as well as independent and commercial music spanning orchestral, world, pop, rock, and indie genres. Raised at Hope Lutheran Church in Bozeman, John has served Lutheran communities in Minnesota, Washington state, and Montana. His sacred music is in regular rotation at centers of Lutheran liturgy like Holden Village (Washington), Christikon Camp and Conference Center (Montana), and House of Mercy (Minneapolis). Rooted in prophetic and mystical traditions, John's sacred songs raise ancient yet urgent questions about radical love and mutual responsibility, written in his compelling, distinctive folk style. John serves as Hope Lutheran's Artist-in-Residence, writing, recording, and performing original sacred music to serve the worldwide church.

Trunk or Treat was another fun and successful event, with more than 400 people joining us for fellowship! We enjoyed sharing candy, hot dogs, water, and hot chocolate—and the ducky scavenger hunt was a definite highlight.

Thank you to everyone who donated items, volunteered their time, or hosted a trunk. This event would not be possible without you!

New Building Security Coming

The use of our building continues to grow, with many gathering here for civic meetings, scouts, AA, sports banquets, birthday parties and rehearsals, in addition to the programming Our Redeemer's provides each week. With so many people in and out of the building, we will soon be getting a new keypad system that allows entrance via Door #2 (the one that comes in by the kitchen) to those who need to be in the building when the office isn't open. This system will allow individuals and groups to have their own keycode, codes that will work only during the time the individual or group has contracted to be in the building. Members of Our Redeemer's who have need of access outside of office hours will be encouraged to reach out to Melani Cobb for a keycode once the system has been installed. This would include those who oversee our musical groups, altar guild members, Council leadership, those who regularly oversee other parts of our ministry. We will give plenty of warning prior to the installation of the new system so no one finds themself locked out!

☆★☆

Administration Wing Rekeyed

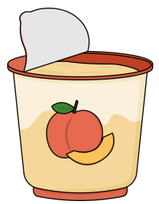

As part of updating building security, the administration wing has been rekeyed. If you need to use the volunteer computer or make copies for programming, please plan to do this during office hours (M-F, 9-5). The office is also open on Sunday mornings.

☆★☆

Kid Pack Request

Thank you so much for all the granola bars last month. During November, Helena Food Share is requesting fruit cups or pouches. So choose your favorite and leave these items in the food share crates in the hallway. Hungry kids remain grateful for your generosity.

OUR REDEEMER'S SUPPORT GROUPS

GRIEF SUPPORT GROUP

Currently the grief group is not meeting except socially. The holiday season can be difficult for those who are grieving. Sometimes it is hard to explain why you may not feel like celebrating or why you need to do something different this season. The hardest part of the grief journey is that it is individual and each person must find their own way through it. Sometimes we just need a listening ear, a neutral presence where you can share your feelings. Sometimes we just need to know that what we are going through is normal with grief being a roller coaster ride. As a retired grief counselor I am available to meet with you either one on one or if there is a need we can form a new group
Please feel free to call Jane Peachey at 234-567-1461 for support.

LITTLE PANTRIES

The contributions to the Emergency Pantries have been a blessing to many individuals dealing with food insecurity in our local area. Recent contributions include pop top cans of fruit or fruit cups, pop top cans of tuna or chicken, cans of chili, containers of macaroni and cheese as well as granola bars.

A representative from Waking Giant is contacted each week when items have been donated. Then the items are picked up and distributed to one of the specific pantries. Even personal care items such as toothbrushes or other personal care items have also been donated.

Many thanks to those who have chosen to drop off items! We hope the generosity continues. Questions can be directed to Carol Landsverk 406-920-2185 or Janet Benson 507-360-3442.

A New Partnership

Our Redeemer's has two groups of crafty people who meet regularly at the church. One is the Sew N Love group that meets every Thursday morning. The second is the Lutheran World Relief team that meets every Tuesday morning. Recently a new collaborative effort has begun involving the Helena and Townsend Lions groups.

Phyllis Michelson and her husband Tom Naegele have been active in the Lions' efforts and a new project arose with the aim of working to support CASA's work with school age children who may be transitioning from their home. **CASA** is short for **C**ourt **A**ppointed **S**pecial **A**dvocates. Phyllis fortunately thought about the sewing folks at Our Redeemer's. Friends talked and a great opportunity to collaborate began.

Both Sew N Love and LWR teams often receive donated fabric from people who find themselves with extra fabric. Maybe a loved one who had a "stash" of fabric for future projects is no longer able to utilize the resource. Sew N Love has made many quilts that have benefitted local individuals involved with the Friendship Center, YWCA or for many years, Family Promise. LWR outreach has been both local and global with quilts, baby kits and school kits.

The Lions' project was in need of fabric and individuals who sew. Thanks to Phyllis opening up some communication both the Sew N Love and LWR teams are working on bags, quilts and pillowcases which ultimately help local children benefit from the Lions' caring great work.

A picture capturing some of the beautiful quilts designed and created primarily by Karen Darlow and Roberta Keller, members of the LWR team shows how donated fabric in a new collaboration is one way to show support of the Lions' great idea!

From the left is Roberta Keller, Connie Metcalfe, Niki Whearty and Karen Darlow.

PRESCHOOL NEWS

Poinsettia Fundraiser Time!

We are excited to be entering our second year of selling poinsettias alongside the youth group at Our Redeemer's! Last year's fundraiser was a wonderful success, and we're hoping to make this year just as successful. These beautiful, locally grown poinsettias come straight from High Country Growers Greenhouse and make the perfect holiday decoration or thoughtful gift for your home or business. Plants will be delivered to the preschool and ready for pickup before Thanksgiving break, just in time to kick off the holiday season!

Thank you for supporting our preschool and youth group and helping us make this fundraiser a success! ❤️

Consultation Committee Thank You and Next Steps

The Montana Synod Consultation Committee would like to thank the staff, volunteers, and members of Our Redeemer's Lutheran Church for your hospitality and willingness to participate in listening sessions with us. Your enthusiasm to address the current conflict and love for your congregation was evident in every conversation, email, and session we shared. Thank you for engaging so deeply in this process.

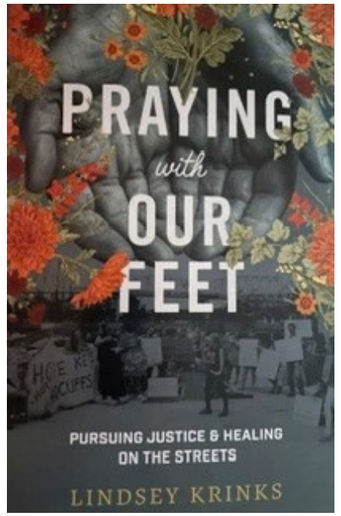

The Consultation Committee will be taking the month of November to draft our report. It is the intent of the committee to provide the completed report in the first week of December, and at the invitation of congregational leadership, we will return to present the report. In the meantime, please be patient with one another, slow to anger, and abounding in steadfast love. The Consultation Committee heard many stories of hurt and dismay. Please continue to care for one another.

If you have not yet submitted a statement via email and would like to do so, please use the address consultation@montanasynod.org. The deadline to submit these emails will be 12:00 noon on Monday, November 9, 2026.

Again, we thank you for your kindness, generosity, hospitality, and engagement.
We look forward to meeting with you again in early December.

Sincerely,
The Montana Synod, ELCA Consultation Committee

Book Study- Praying with Our Feet

Caring for Our Neighbors

If you've ever expressed concern for homeless individuals, donated to God's Love or United Way, or known someone who was homeless, you realize that solutions are not easy to come by.

Lindsey Krinks, author of Praying with Our Feet, tells her own story of street ministry to the homeless in Nashville, Tennessee. This ministry is full of challenges, as well as encouragement.

Join a lively discussion of this book, sponsored by the Hunger Team and led by Dr. Jeff Buscher, Community Impact Coordinator for United Way of Lewis and Clark County during the month of November.

All sessions take place at 9:45 AM in the Community Room:

Sunday, November 1	Prologue and Chapters 1-2
Sunday, November 8	Chapters 3-5
Sunday, November 15	Chapters 6-8
Sunday, November 22	Chapters 9-11 and epilogue

Stewardship Work Day

Campus care was once again on the minds of 27 members who labored for four hours on the Saturday Work Day. Eighteen projects were completed and most notably the clean up of the neighborhood garden including the removal of four trailer loads of garden debris. The boulevard and parking lot islands were weeded and trimmed, and decorative rock replaced wood chips. Woodpecker holes were sealed, playground equipment repaired, ceiling cracks spackled, the nursery and playground deep cleaned, and many, many smaller projects that repaired the daily wear and tear on our community church.

Thanks to the Men's Group for organizing and hosting the work day as well as for the wonderful fellowship during the mid-morning bakery break and tasty lunch.

Thanks, also, to the Men's Group for their continuing Maintenance Ministry throughout the year. If you would like to join them, they meet every Wednesday morning at 9:00 AM in the Great Room.

The next meeting of the Executive Committee of the Council will be Wednesday, November 11, at 5:30 PM. The focus of this meeting is to set the agenda for the monthly full Council meeting. If you have things you'd like the Council to consider or would like to be on the agenda, please let council president Charlie Gorman know by November 9.

CATCHING UP WITH COUNCIL

Council Highlights
October 19, 2026

September 2026 Financial Reports
General Receipts for the Ministry Fund totaled $49,523. Building Fund donations totaled $4,830. Please consider giving to the building fund as we continue to have an $11,000 monthly mortgage until the sale of our property is finalized, which could take up to 18 months. We paid $8596.60 in lawyer fees for the land sale and will have taxes due in November. If you have any questions about the Our Redeemer's budget, our treasurer Jan Martin is available to provide more information.

Finance and Operations Director Position
Trevor Eastman has been hired as the new Finance and Operations Director. He will begin training in his position October 27, 2026. In addition to the accounting, the duties of this position will include the overseeing and coordination for facility, grounds and safety of Our Redeemer's. We thank Sara Magee for her years of service and dedication to Our Redeemer's and wish her well in her retirement.

Ministry Team and Committee Reports
Pastor Trina reports that she attended six hours of continuing education this month.

Trunk or Treat is Saturday October 31, 10:00 AM – noon. Come on out and see what great costumes Pastor Trina and Dennis will be in this year!

The annual Budget Forum is scheduled for December 6, at 9:45 between services, in the Community Room.The Annual Budget Meeting is scheduled for the next Sunday December 13, in the Sanctuary. Staff are busy preparing their 2027 budgets for these meetings. Please plan to attend these important meetings as we plan for the future.

Thank you to all who volunteered their time to Stewardship Saturday, October 10. Many projects were completed to benefit our property and facility.

Anyone interested in serving on a Constitution Review Committee, as recommended by the Forward in Faith report, please contact a Council member.

Property Development
The City of Helena held a public meeting at Our Redeemer's regarding reclassifying the land use designation around Our Redeemer's and surrounding properties.

DevCo has requested a six-month extension to the timeline for them to complete their due diligence due to the City of Helena processes. The original closing date does not change. The congregation voted on Sunday, October 25, to grant the extension.

Have a question about what's going on at Our Redeemer's?
The Council is happy to answer questions, take creative suggestions, and be your source of accurate information about our community. All twelve members of Council are listed with contact information on the last page of each month's Voice and pictures of them are on the bulletin board in the entryway. You have elected them to make decisions on behalf of the congregation, and they really want to hear from you. If you are pleased with something or concerned about something, reach out! One caveat, we don't accept anonymous comments; it doesn't build up the body of Christ.

NEWS FROM THE HUNGER TEAM

Thank You for Supporting the Milk Campaign
On Tuesday, October 20, the Hunger Team presented a check to Helena Food Share for $17,000. This amount includes all of your donations, as well as the $2000 grant from the Montana Synod Hunger Team. In addition, the Treacy Foundation donated $5000, and partner churches donated about $8000, for a total of about $30,000. Once again, we helped to feed hungry children, exceeded our goal of $25,000, and challenged others in the community. Thank you so very much for your unwavering support.

Kid Packs - Packed with Gratitude

Kid Pack assemblies are off to a roaring start. Thank you to all the amazing, incredible volunteers! We will continue these builds the first three Tuesdays of each month, now through April 20, at Helena Food Share. If interested, please contact Judy McMaster at **judy1950@bresnan.net**.

Update on the Community Garden
Thanks to the efforts of our garden coordinators, Elaine Ulgenes and Karen Nelson, the community garden was quite productive this year. Over a thousand pounds of food were donated to Helena Food Share. And we offer a special shout-out to the Boy Scouts, community gardeners, the Hunger Team, summer weed control folks, and those who cleaned out the garden on the work day, October 10. It definitely takes a village to prepare, maintain, and harvest the bounties of this good earth.

Tomato Fest Success
Thanks to your support of the Tomato Fest at Our Redeemer's in September, the Hunger Team raised $907 for the community garden account. Hope you enjoyed all those tasty tomatoes!
